Dear Sir ,

This to advise that the contractor EM Tech has executed the electro-mechanical works of the above mentioned project scope of works including supply & installation of the following systems : VRV Air Conditioning System, Under-Floor Heating Systems, Boilers, Plumbing Works, Fire Fighting Works, Irrigation Network and Electrical & Control Works .

On June 2007 , Preliminary handing-over was initiated and EM Tech proved to have completed their works as per conditions of contract, specifications ,approved drawings and satisfaction of Consultant .

Upon our final inspection of job site in June 2008 , after they have completed their year of maintenance/warranty, all systems were operating to Client acceptance and thus redeemed to have full filled conditions of final handing-over to our satisfaction .

Regards,

General Manager

Walid B. Hariri
